## **What is COMPSTAT?**

COMPSTAT stands for Comparative Statistics. In a weekly meeting of police command staff, divisional supervisors and other personnel, all parties discuss recent Part I criminal activity and propose strategies to address the situation.

Each meeting covers a three week period, and rotates between the three patrol divisions – Downtown, Northwest, and Southwest. All three divisions provide maps tracking activity in seven different crime types, but only one division presents per week.

Other divisions also report – Special Operations Division, Special Investigations Division, Major Crimes Division, and the Headquarters Division – Communications Section. Those divisions reports are not included in this report because they may contain sensitive law enforcement information.

## **Glossary and Notes**

**Part I Incident** - The FBI standard for its *Crime in the United States* report, issued each fall. Part I violent crimes are murder or non-negligent homicide, rape, robbery and aggravated assault. Part I property crimes are burglary, larceny, and auto theft.

*\*In our COMPSTAT report, we only include maps of non-domestic aggravated assault incidents, but all aggravated assault incidents are included on the charts.*
