# Recycling Rules

“When in doubt, leave it out.”

- DO NOT BAG RECYCLABLES.
- Cleanliness: All recyclables should be clean enough that you would leave it on your counter for a month
- No Mixed Materials: Do not put items in your cart that are a mix between 2 or more materials.  
For example: coat hangers, paper coffee cups (lined with plastic), aerosol cans, paper milk cartons.
- Just because you see the recycling symbol on an item does not mean it is recyclable.
